SUMMARY

I enjoy creating things that live on the internet, whether that be websites, applications, or anything in between. Since the day I was first introduced to a computer, its working mechanism piqued my curiosity, and growing up I have been engrossed in sharpening my technical skills with the aim of developing something on my own. To fulfill my curiosity, I've chosen my career path as a web developer.

SKILLS

HTML, CSS	ReactJS, NextJS	Wordpress, Shopify
Javascript	Core PHP, RestAPIs	Problem-Solving
jQuery, AJAX	NodeJS, ExpressJS (Learning)	SEO, Digital Marketing

PROFESSIONAL EXPERIENCE

FullStack Developer   **Aug 2023 - Apr 2024**
LazyCodeLab Pvt. Ltd.

At LaztCodeLab, I actively advanced my skills in backend development and database management to drive project optimization. I demonstrated proficiency in utilizing contemporary libraries like React.js and frameworks such as Next.js to elevate the user experience. Additionally, I gained experience in Shopify and WordPress platforms.

Associate Frontend Developer   **Jun 2022 - Aug 2023**
Infraveo Technologies Pvt. Ltd.

After Internship, I joined Infraveo Technologies as a Associate Frontend Developer, I effectively harness HTML, CSS, and JavaScript to create and manage web applications for diverse client projects, ensuring they meet client expectations and deliver optimal user experiences. Collaborating closely with design teams, I ensure seamless integration of design elements. Additionally, I take on mentorship responsibilities, providing guidance and sharing expertise with junior developers to enhance team productivity and performance.

Frontend Developer (Internship + Training)   **Dec 2021 - Apr 2022**
Infraveo Technologies Pvt. Ltd.

I began my career as a Intern at Infraveo Technologies, where I gained firsthand experience in web development agency practices and learned extensively from my mentor.
